New menu items are named after people close to Roman Pizza and our neighbors. The Juan and Deen special pizza is in gratitude to our friend and neighbor -Juan- who was a true hero during the post-7 days. Juan took food and medicine by canoe to countless people in our area. Juan was recognized by many national publications and was honored as the hero that he is in GQ magazine's December edition. Deen is his son who will be enjoying Roman Pizza in gratitude for a long time. The Ralph special sandwich is named after our "favorite" delivery driver who has been instrumental to our success for 15 years. The Rich spicy wings are also named after one of our tenured managers/ drivers who is celebrating his 15th year at Roman Pizza. Thanks to Rich for all of his hard work and dedication!
